Ambassador David & Tammy Friedman

TOWERING ACHIEVEMENT AWARD

Tammy and David Friedman have committed their lives to their family, the Jewish People and the State of Israel. They work seamlessly together as a pair to achieve their goals.

As the United States Ambassador to Israel from March 2017 until January 2021, and with Tammy's unending and vital support, David successfully guided unprecedented diplomatic advancements in the US – Israel relationship, including moving the United States Embassy to Jerusalem and recognizing Israeli sovereignty over the Golan Heights. He also is among a small group of American officials responsible for the "Abraham Accords" — peace and normalization agreements between Israel and the UAE, Bahrain, Sudan and Morocco — for which he was nominated for the Nobel Peace Prize in 2021.

Ambassador Friedman was recognized by the Jerusalem Post in 2021 as the most influential Jew in the world, and appeared on its "top 50" list on many other occasions. He also was named one of the 20 Most Impactful Persons of the Past Decade by the Jewish Telegraphic Agency.

Ambassador Friedman was honored by President Trump with the National Security Medal in September 2020 – less than 100 Americans have received that award in its history — and by the United States Joint Chiefs of Staff with the Meritorious Civilian Service Medal in April 2019. He has received numerous other honors, recognitions and awards including honorary doctorates from Yeshiva University in New York and Ariel University in the Shomron.

Ambassador Friedman is the Founder of The Friedman Center for Peace through Strength which works to build upon the Ambassador's achievements in strengthening the US-Israel relationship.

On February 8, 2022, HarperCollins published Ambassador Friedman's memoir, "Sledgehammer: How Breaking with the Past Brought Peace to the Middle East". In its first week, his memoir broke sales records for a book on the State of Israel.

Tammy and David have been married for almost 42 years. Nothing brings them greater pride or personal satisfaction than their five incredible children, their sons-in-law and daughters-in-law, and their amazing grandchildren, kein yirbu. Although medals and awards are not typically given for such accomplishments, Tammy deserves recognition for the outstanding job she has done, and continues to do, in supporting, guiding and nurturing her loving family.

The Friedmans are grateful to Rabbi and Rebbetzin Gibber for their exceptional work in leading the Boca Jewish Center to its status as an inspiring and welcoming oasis of Jewish life, spirit and study within the Boca Raton Jewish community.

Yossi & Annie Rabinowitz YOUNG LEADERSHIP AWARD

As we stand before the Boca Jewish Center community on this special occasion, we feel grateful for the opportunity to share our journey with you.

I grew up in Israel and then moved to New York in 1989. At the young age of sixteen, I established my first IT company while attending high school at the Yeshiva of Flatbush. As a student in the Honors program at Baruch College, School of Business, I continued to build up a successful consulting practice which was recently acquired by a global company.

Annie was born and raised in Brooklyn, New York and graduated with a masters in Speech and Language Pathology from Adelphi University. We were set up by a mutual friend and married a few months later in 2006. Annie works with young children in need of early intervention services and preschool speech and language services. Additionally, she recently launched Neshamas Connect, a Chesed video-based dating website for Jewish singles. Her goal

[HONOREES](#)

is for it to become an international database for Jewish singles of all levels of observance. She is grateful for the opportunity to bring people together and to help them build happy, healthy, and fulfilling relationships.

We moved to Boca Raton from Staten Island, New York in June of 2020. After having checked out a variety of other communities, Boca became the clear choice. Although the move was a significant step for us, we were drawn to the warm and growth-oriented nature of the Boca Jewish Center community. We quickly realized that we had found a new family in the Boca Jewish Center community. The welcoming spirit and dedication of Rabbi and Rebbetzin Gibber and their wonderful family along with our fellow congregants was apparent from the moment we arrived. We have been blessed to find new friends and companions in our journey through life, and here we feel a sense of belonging that we never knew was possible.

It is my privilege and honor to serve as Gabbai of BJC and I welcome the opportunity to give back to my new shul community. It is a role that I take seriously and I remain deeply committed to ensuring that our services run smoothly and that every member of the congregation feels included and supported. Likewise, Annie's involvement in the Youth Department has been a source of great joy and fulfillment for her as well. She is proud to serve as a co-chair of the Youth Committee and is passionate about providing our children with exciting programming that will further develop their love of Israel, and their knowledge about Tefillah and the Chaggim.

Our three children, Shlaima, Shalva, and Nadav, are the light of our lives. We are blessed to have such wonderful, caring, and loving children, and we feel honored to be their parents. Shlaima is in the

[HOME](#)[HONOREES](#)[MESSAGES](#)[TRIBUTES](#)

9th grade at KYHS and Shalva and Nadav are in 7th and 4th grade respectively at TABR. They also want to thank the BJC community for being so welcoming and making them all feel at home.

So dear friends, we are truly honored and humbled to be recognized at the 6th Annual BJC Gala Dinner, and we are filled with deep appreciation for the support and love of this beautiful community. The spirituality, warmth, kindness, and generosity that we have experienced here have touched our hearts in ways that we cannot fully express. We look forward to continuing our journey together, building new relationships, and working together with you to create a vibrant, thriving community that reflects the best of our Jewish heritage and traditions.

Thank you for this honor, and thank you for being part of our lives.

MESSAGE FROM
The Rabbi

Dear Friends,

It gives me great pleasure to welcome you to the Boca Jewish Center's Annual Gala Dinner. Tonight, we join together in celebrating the many achievements of our extraordinary and vibrant community, as well as to recognize and honor the exemplary roles and accomplishments of this evening's most deserving honorees, Ambassador David and Tammy Friedman and Yossi and Annie Rabinowitz.

The Torah famously records Hashem's command to the Jewish people to build a Mishkan and provide the space where his Divine Presence would reside and be tangibly felt, "V'Asu Li Mikdash V"chechanti B'socham", "Make for Me a Sanctuary, and I shall dwell among them."

Rabbi Shimshon Rafael Hirsch explains that the symbolism of the Mishkan extends well beyond the narrow confines of a physical edifice or space. Hashem's dwelling in our midst is ultimately meant to mean that His benevolent and protective Divine Presence be felt in every aspect of our lives. This can only happen, he explains, if we sincerely and passionately dedicate our lives to the fulfillment of His will through faithful service and observance of His Mitzvos. The construction of the Mishkan, and later the Beis Hamikdash, was not an end in and of itself, but rather, was the conduit and vehicle to serve as the inspiration to the Jewish people to sanctify themselves in every way, no matter when, no matter where, and no matter how. It is this idea that inspires our personal spiritual aspirations as well as our shared goals for our vibrant, growing and very uniquely special community.

Our honorees this evening embody this important message in all that they do and with all people with whom they interact. They are living examples of how to live dedicated to their families while at the

[HOME](#)[HONOREES](#)[MESSAGES](#)[TRIBUTES](#)

same time make enormous and impactful contributions to our BJC Community, to our people, and the world.

Ambassador David and Tammy Friedman are and will always be heroes of the Jewish people. Their remarkable and iconic leadership and courage is a testament to the unwavering Jewish values that they live by and cherish, and the passion to protect, preserve and inspire the Jewish people in our beloved Homeland and far beyond. We will forever be deeply grateful for their historic service on behalf of our people and humanity. Their leadership inspires our community, the next generation, and Jews around the world to reach for the stars to accomplish great things with the belief that if you are determined, anything with anyone, anywhere is truly possible. Mazel Tov and Thank you. In honoring you with the Towering Achievement Award, you are honoring us!

It is not an exaggeration to say that Yossi and Annie Rabinowitz and among the most incredible and finest people that any of us know. They are beloved and cherished by everyone. They have the incredible ability to connect and befriend anyone. The list of their contributions to our community is endless. From hosting a new family or their many friends for a Shabbos meal to sharing a simcha or paying a shiva call they are always there ready willing and able. They eagerly volunteer to serve our community in anyway they can, be it as a member of the board, a youth committee co-chair, or as our gabbai. They are an incredible couple who are leaders and role models for us all to emulate. Mazel Tov and Thank you. In honoring you with the Young Leadership Award, you are honoring us!

We are so proud of what we have accomplished thus far and are excited about the bright and promising future of our beloved Boca Jewish Center Community and about the future of the Jewish people.

With Torah Blessings,

Rabbi Yaakov Gibber

MESSAGE FROM

The Presidents

It gives us great pleasure to greet all of you tonight at this our sixth annual Boca Jewish Center dinner. Needless to say, the recent growth of our shul has been extraordinary in so many ways. In perusing past dinner journals, we found references to the BJC youth program which boasted having over "40" children participating. What a glorious accomplishment that was at that time. Today, under the leadership of Rabbi Binny Fogelgarn and the stewardship of our youth committee, chaired by Ganit Levy, Andy Markewitz, our honoree Annie Rabinowitz, and Mor Shapiro, we now can boast of exciting spiritual, cultural and social programming that services over 400 children. Where we once struggled, in our early years, to have a daily minyan; our daily minyanim, Baruch Hashem, are overflowing and we now have 4 minyanim on Shabbos morning! Our daily classes, our exciting D'or L'Dor parent child learning, our active Sisterhood – all attest to a vibrant shul community. Although, our physical space needs have expanded significantly over the years, now with over 305 families, we must look towards the future to determine what space, what design will best meet the needs of our growing shul community.

To borrow from the expression, 'it takes a village', we'd like to rephrase it to say, 'it takes an entire 'Kehillah'. You each play an important and vital part. Whether as a class participant, a regular Shabbos attendee, a board member or committee member, a minyan devotee and a strong financial supporter; it has been your collective steadfast involvement that has enabled us to reach this point. Todah Rabah to each one of you and may we continue to work together, with our devoted and esteemed Morah D'asrah Rabbi Gibber and our most special Rebbetzin Gibber to build and enrich our most special community.

Yossi and Annie Rabinowitz are exemplary models of what it means to be a member of a kehillah. They moved to Boca with their beautiful children in 2020. Yossi and Annie are warm, friendly and outgoing and have immediately become involved in numerous aspects of our shul life. Yossi serves as our dedicated gabbai and he ensures the smooth running of our Shabbos & 8:30 am daily services. Annie co-chairs our youth committee and helps plan and oversee all youth programming. Their dedication and spirit of volunteerism helps ensure BJC's success as a vibrant, warm and welcoming shul. They are most deserving of tonight's Young Leadership Award.

Ambassador David and Tammy Friedman have dedicated their lives to benefitting the Jewish people worldwide. The Ambassador, after an illustrious legal career, began a diplomatic career and focused his attention on improving US -Israel relations. His actions have changed the course of history. He was instrumental both in moving the U.S. embassy to Jerusalem and in orchestrating the Abraham Accords. Together he and Tammy have built a wonderful family and we are proud to have them in our community. It is our distinguished honor to present them both tonight with the Towering Achievement Award.

It takes a strong kehillah to build a community and to support our spiritual home/BJC. We urge you to become more involved and together, with the help of ׳ה, we will be successful in reaching our goals.

Have a wonderful evening!!

MESSAGE FROM

The Executive Director

I am truly excited to welcome everyone to our 6th Annual Gala Dinner & Auction! Our honorees tonight are indeed exceptional individuals and it has been a tremendous pleasure for me to work on this dinner honoring Ambassador David & Tammy Friedman, our Towering Achievement Award recipients, and Yossi & Annie Rabinowitz, our Young Leadership Award recipients.

Ambassador David & Tammy Friedman: I had the distinct honor and privilege to first speak to the Ambassador on a phone call in the summer of 2021. He informed me that two of his children and their families would be moving into the community, and that he would be joining them, and us, for Rosh Hashana. From our first conversation, it was clear to me how special Ambassador Friedman & his Aishes Chayil, Tammy are. He is genuinely warm and friendly and very humble; with a focus of family first. The Ambassador's efforts on behalf of the Jewish People is world renown. Tammy is the quintessential Savti. She can always be found with one of her precious grandchildren, either in her arms or by her side. I am proud to welcome you both to our Boca Jewish Center Community and I look forward to getting to know you on a more personal level in the many years to come!

Yossi & Annie Rabinowitz: I recall with fondness the Rabinowitz's moving into the community during the height of COVID in 2020. They were outgoing and welcoming to everyone who moved into our community, opening their home, and hosting meals, even when others were not yet comfortable doing so. When the Shul reopened, and there was a need for a Young Professionals Minyan, Yossi stepped up and offered to be the Gabbai. Although he was not an expert, he took it upon himself to learn what he needed to do. He became the main Gabbai at the 8:30 am weekday Minyan, and later the Main Minyan on Shabbos & Yom Tov. Annie has

[HOME](#)[HONOREES](#)[MESSAGES](#)[TRIBUTES](#)

concentrated her efforts on the youth of the shul. When the shul reopened after COVID, it was clear that we needed to reengage the Youth Department and welcome all of our new young families. Annie became a co-chair of the Youth Department with Andy Markewitz, and together they started paving the way. A few months later, they were joined by Mor Shapiro & Ganit Levy. These four dedicated women, have put in hundreds of hours to build the infrastructure and the programs that we and our children all enjoy today! Yossi & Annie only know how to say "yes"; no matter the request, no matter how big or how small. It is for these reasons, that it is so fitting that we honor Yossi & Annie Rabinowitz tonight with the BJC Young Leadership Award!

An evening like this does not just happen on its own. I am very grateful to our outstanding Dinner Co-Chairs, Caroline Goldstein, Aliza Romanoff & Stephanie Ulmer, as well as our Journal Co-Chairs, Sharon Klein & Danielle Scharf and our Auction Co-Chairs, Sonya Beyderman, Mor Shapiro, and Aviva Tribuch. It was an honor to work with all of you. It took a great effort and the result is this amazing evening we are all enjoying! Also, a special thank you to our Executive Committee, Dr. Yakov Elefant, Abe Grohman, Radine Spier, Warren Struhl, & Dr. Charlie Trauring for all of their hard work and dedication behind the scenes to ensure every aspect of this evening stayed on track and was successful.

To Ilana Dinnerman, on behalf of the entire community, thank you for everything you do to make sure that all areas of the shul, and especially tonight, are so successful.

To our incredible custodians, Mel, Dean, Brandon, Bazeiles, Pedro, Keyshawn—no one spends as much time in our building as you. Your passion and dedication to ensuring everything we do at BJC goes off without a hitch, is truly inspiring.

[HOME](#)[HONOREES](#)[MESSAGES](#)[TRIBUTES](#)

To Rabbi Binny Fogelgarn, your dedication to the BJC youth, your creative programming, and your energy level is truly amazing. Seeing the smiles on the children's faces is a true testament to the success of your efforts.

To Rabbi Shalom Yachnes, you have taken our Beis Medrash program to new heights. Your enthusiasm is palpable, and it is amazing to watch you engage with each individual. The sounds of learning reverberating each night of the week from our Beis Medrash are indeed heartwarming.

Rabbi Gibber, it is truly an honor and a privilege for me to be able to work side by side with you. I have learned so much from you over the past three years and I am so grateful to be part of your team. You push me to be the best person, mentor, Executive Director, and father I can be!

To our incredible co-presidents Dr. Yakov Elefant, Abe Grohman & Warren Struhl, not a week goes by that I do not learn something new from each of you. There are maybe only a handful of people that know how many hours a day that you are focused on the inner workings of BJC. Your passion and dedication to the success of our shul and community knows no bounds! Thank you for your continued support and commitment to me and BJC.

Last, but certainly not least, I would like to thank my amazing wife, Tova and my wonderful children, Zev, Jake & Abigail. You are my support team and I could not accomplish all I have to do without your understanding and encouragement.

בעזרת השם

In Honor of

DR. & MRS. CHARLES TRAURING

President Charlie was given many accolades, honors, and titles. He is a husband, father, and grandfather par-excellence. Most important to us all was his Presidency of BJC, because synagogues, education, schools and learning are the things that keep the Jewish spirit alive and Jewish values burning for centuries to come!

During his presidency his moral clarity, leadership and wisdom was the heritage he handed down to the membership of our Shul, with the hope that working together we will Bezras Hashem continue the miracle that sprouted in Boca Raton years ago!

Last but not least, let's remember that behind every great man stands a great woman. So today we celebrate you, Dr. Charlie & Sharon, on your 53rd Wedding Anniversary. Thanking Hashem for hearts in love, who know their strength comes from above, who chose to serve with each new day, who've found true joy along the way.

It's wonderful to see how Hashem has blessed you with each other and his loving care. It's a joy to celebrate and to pray for continued blessing in the years to come "Ad Meah v'Esrim Shana".

AMBASSADOR FRIEDMAN

you have outflanked hatred as an example of an America that made peace from the Middle East to Kosovo to the Koreas, created neighbors from enemies, and did so through an unapologetic command of history, standing up for what was right about Israel, fearlessness in the court of adversaries, and embracing the moment in history that your President envisioned for you. May Hashem deem your greatest days in front of you, and may greatness be the fruit of your efforts to come.

TAMMY

everyone has greatness in them. Some dream of the Ladder of Yaakov, in their own way. But no man sees that ladder or ever dares to climb it without their Aishes Chayil at his side. Thank you for being the best half, strengthening the Ambassador in a mission that protects Israel and the Jewish people everywhere.
